THE
KITCHEN
PANTRY

Kitchen Pantry, from Captivate Brands has recreated the essence of baking, making and preserving, while updating the cosy style with a professional quality that will fit seamlessly into any home kitchen today.

The rustic finishes and materials, including wood, glass and marble, have all been carefully chosen to evoke memories of Grandma's pantry and a simpler time, while being gently updated with subtle contemporary twists. Among the items in the range are stainless steel utensils for everyday cooking and baking; tactile embossed ceramics for baking and storage; acacia wood chopping boards; marble and acacia wood serve boards; jam making equipment and brass detail glass storage.

Kitchen Pantry has the perfect on trend mid-century inspired colour palette of honey yellow, grey, white and black. With trendy brass detailing across the range, Kitchen Pantry ensures that every make will be created with timeless style.
