Fusion[®]

Create. Inspire. Fuse.

.....

This utensil and gadgets collection is everything you need in a busy kitchen with intelligent features such as the ladle with straining and measuring functions to help make those meal preps effortless.

Fusion has all the gadgets you could need in a modern-day kitchen with soft touch handles for that extra grip. The utensils come in stainless steel and nylon heads to keep those non-stick pans safe and can easily be cleaned in the dishwasher before it's next use.
